Davie County Hospital to be relocated

RALEIGH – Davie County Hospital has filed an application with the Certificate of Need Section of the N.C. Division of Health Service Regulation to relocate the existing hospital.

A public hearing for this project will be held at 2 p.m. on May 12 in the general purpose room of the Cornerstone Christian Church, 1585 N.C. Highway 801 north, Mocksville.

Davie County Hospital proposes to construct a \$100-million replacement hospital in Advance, at Exit 180 on Interstate-40 on NC 801 north.

The hospital would operate 50 beds for inpatients, 10 unlicensed beds for observation, two operating rooms, one gastrointestinal endoscopy room, one procedure room, an emergency room and imaging services, including CT scanner, X-ray, mammography and ultrasound. The new hospital is expected to open in January 2012.

Anyone may file written comments concerning this proposal. Comments must be received by the Certificate of Need Section no later than May 1 at the following address:
